The South Carolina Retirement System Investment Commission Unveils NEW, Attractive-Looking Website

Columbia, SC—October 16, 2017- South Carolina Retirement System Investment Commission (RSIC) announced the unveiling of their newly revamped website. The website was live Friday, October 13, 2017 and is located at a new address: www.RSIC.sc.gov.

Changes to the RSIC website's appearance and design will be apparent upon visiting for anyone familiar with the former website. The fresh and modernized look, combined with enriched content, improved functionality, and mobile-responsiveness will allow visitors to have an informative, useful, and engaging user experience.

The RSIC's website will be regularly updated to serve as an industry resource for information regarding the SC Pension Fund Investments as well as relevant, interesting, and important updates for constituencies and stakeholders.

About the South Carolina Retirement System Investment Commission

The South Carolina Retirement System Investment Commission (RSIC) is responsible for investing and managing all assets held in trust for the participants and beneficiaries of the state's five governmental defined benefit plans with over \$30 billion in AUM. The RSIC's primary investment objective is to achieve a high level of investment return consistent with a prudent level of portfolio risk. The assets of the Retirement System are invested in conformity with the requirements of South Carolina law and are designed to increase the probability of achieving the long-term objectives of the Retirement System.
